

Crump Annuity Carrier Training Requirements

NORTH AMERICAN

North American's online training instructions are provided below. In addition to these carrier product training requirements, please be sure that you are compliant with all state training requirements prior to taking applications in states that require NAIC compliance. In order to view the specific requirements of each state, please go to www.reged.com/trainingplatform and complete all approved/required courses for your state of sale. Please note that North American requires that you complete their online product training, regardless of the individual NAIC requirements of that state. **Please provide a copy of the appropriate completion certificates to the Crump Contracting department via fax to 717.703.4702 or email to annuitycontracting@crump.com.**

Note for Agents Writing Business in Iowa: North American requires all agents complete both Standard and Index Training, regardless of the product being sold. **For assistance with this training, please contact North American Annuity Division at 866.322.7068, option 1.**

Follow the steps below to ensure compliance with North American's training requirements and avoid delays:
